Thursday 28th January 2016

**Library Days**
Wednesday- Infants Class
Friday -Primary Class

**Sport**
Wednesday

---

**Presentation Night**

Our end of year presentation night will be held in the Delungra Community Hall this Wednesday evening 9th December. All students need to be at the hall by 5:45 pm so they can get ready for our 6:00pm start. At the conclusion of the presentation night program there will be a short supper. All families are asked to bring a plate of food to share for supper as we have done in previous years.

Students are to attend presentation night in full school uniform. It would also be a good idea for students to have something to eat before they attend presentation night.

**Christmas Hamper**

This year we have only had a small response of donations for our Christmas hamper raffle, please make your donations tomorrow. If you have any chocolates in your donation please let one of the staff know so we can make sure that they are refrigerated.

The Christmas hamper raffle will be drawn at Presentation night.

Once again we thank you for your support.

**School Leaders Assembly**

Last Friday we held our school leaders assembly and transition graduation. During this assembly we heard our school leader nominees share their views on why they think they would make a good school leader for 2016. Once again this year our students constructed their own high quality speeches and presented them confidently to our audience. We would like to congratulate our nominees for their efforts and presentations.

We would also like thank the parents and community members for attending our assembly. It is a very exciting time and we are looking forward to announcing the successful students at presentation night.

**Intensive Swimming**

Starting this Thursday our students will be travelling to Bingara everyday to participate in our intensive learn to swim program.

Students are asked to come to school in their swimmers with their school uniform over the top. The students are also expected to wear shoes and socks. The students will be getting dressed before they return to school so they need to have their underwear in their bags.

All students must have a swim shirt or rashie.

As we are there for the majority of the day student need to pack their lunch, recess and a water bottle. When packing lunches please remember we will not have access to fridges or heating facilities.

**Kindergarten Transition**

Last Friday was the final kindergarten transition day for 2015. They will return to school next year as our 2016 Kindergarten class. All participating students were presented with a book and certificate at our assembly.

It has been great to see the students confidence and skills grow during our transition program.

**Semester 2 Reports**

Next Monday our semester 2 reports will be sent home. Should you have any questions in regards to your child’s/children report please give your child’s teacher a call and we will be happy to discuss these with you.

**K/1/2 News**

This week K/1/2 will be continuing to work on their Christmas unit.

Due to swimming and presentation night practice students will not have homework for the rest of the year.
If students have readers at home please return them as soon as possible.

Students are reminded to bring their Presentation night costumes to school tomorrow. Boys need a bright shirt and board shorts and girls need a bright shirt.

Student reports will be sent home on Monday, please contact me if you have any concerns about your child’s report.

If you have any questions or concerns feel free to contact me at school. Mrs James
